

Those who give their best...

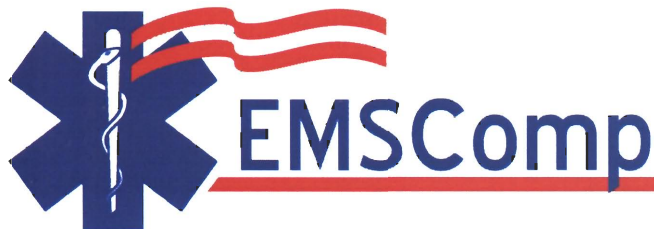

Deserve our best...

AmeriHealth Casualty Insurance Services is offering a worker's compensation program to non-profit EMS companies. Like you, we understand the need to provide quality care in a timely fashion. Our specialized workers compensation coverage for non-profit EMS companies offers unmatched claims management services including but not limited to the following:

- One of the largest networks of doctors and hospitals in the region
- In-house medical staff for faster utilization review
- Medical bill repricing with no per bill or per line charges
- On-line claims inquiry and reporting systems
- Dedicated service teams with multiple years of experience
- Professional, proven safety and loss control services
