

Trailer Move

Tri-Boro can relocate trailer units that qualify as road-worthy. Trailer moves are completed by professional Tri-Boro employees, assuring the highest level of customer service.

Customers that would like a trailer relocated can use the checklist provided below or contact our sales department to see if a unit qualifies.

Checklist:

Specifications

Size

Weight

Serial #

Are the tires inflated?

Do the lights work?

Have loose objects been removed from the interior?

Does the hitch work?

Will the trailer need to be block and leveled once relocated?

Are there loose exterior materials?

Are obstructions removed?
